### Additional Information

The application, in order to be considered valid, should contain the following documents (**all provided in English language**):

(limit your documents to a total size of 20 Mb, only PDF files are accepted)

- ESR application form
- Curriculum Vitae
- Cover letter: indicating why you have chosen to apply for an ESR position in OBERON, your relevant interests and your aspirations and expectations for the research project
- Degree Certificates with transcript of records (*the recruiting Institution may request that you present originals or authenticated copies*)
- List of publications, if applicable
- Manuscript of listed publication, if applicable
- Work experience certificates, if applicable
- Self-assessment of English proficiency considering the framework of the common European Framework of Reference for Languages [link](#)

Certificates should be provided in their original European language or with an associated official English translation for non-European documents.

All documents, including this Form should be uploaded at <http://eyemodel.eu/applications/>.
